

# 21st Northeastern Granular Materials Workshop

**Yale University**  
**Friday, June 13, 2025 9 a.m.–5 p.m.**

## **Invited Speakers:**

Ryan Hurley  
*Johns Hopkins University*

Rachel Glade  
*University of Rochester*

Liuchi Li  
*Princeton University*

Hunter King  
*Rutgers University*

## **Topics:**

planetary surfaces  
rheology of granular materials  
powder compaction  
plant tissue

## **Organizers:**

Mark Shattuck  
*The City College of New York*

Arshad Kudrolli  
*Clark University*

Narayanan Menon  
*University of Massachusetts–Amherst*

Corey OHern  
*Yale University*

## **Sponsors:**

AEOP  
American Physical Society  
School of Engineering and  
Applied Science, Yale University
