

The 1st New England - New York Area Granular Materials Workshop

Date: July 18th, 2003
Clark University, Worcester, Massachusetts

The workshop is designed to bring researchers in the New England - New York area together to discuss their work on granular materials and explore collaborations. The workshop will feature four pedagogical talks, short talks and poster sessions.

Invited Speakers

- Don Candela, University of Massachusetts
- Dave Johnson, Schlumberger-Doll Research
- Mark Shattuck, City University of New York
- Greg Voth, Wesleyan University
